

DANCE WITH US!

New Hampshire Dance Institute (NHDi) brings dance into schools to empower, enrich, and energize all children while teaching confidence and inspiring excellence!

The NHDi Year-Long Program brings an introductory dance experience into your child's school day. The children work with their professional NHDi teaching artist once a week throughout the year, then over Memorial Day weekend, students from NHDi Year-Long Program schools will perform with our live orchestra at Redfern Arts Center at Keene State College in the

2024 NHDi Event of the Year

With NHDi your child will:

- **Gain confidence and discipline**
- **Develop teamwork skills and concentration**
- **Boost their critical thinking and creativity**
- **Expand their cultural literacy**

Classes are energetic, athletic and fun! No previous dance experience is needed! No special clothing or shoes required - we dance in jeans and sneakers!

For over 36 years, NHDi has brought programming into the schools of the Monadnock Region. We hope that your child will join us this year!

Your child's class will be on
